[redacted] OS called to say that he would be gone for 2 weeks and would like to delay his reply until his return. I agreed since we have no specific deadline on this.

STAT

[redacted] also indicated that he thought they would come up with some concrete responses to our problems rather than merely replying in terms of agreement or disagreement.

STAT 15 Feb. Informed [redacted] O.L. that we had not pointed down specifically as to why they did not receive the 16 recommendations formally.

STAT

However, if [redacted] pointed that we should go ahead with the responses

their decision on responding to the 16 requests.
